

Lung Cancer

This free 2 hour workshop will cover the latest treatments for lung cancer. Expert panelists will also discuss side effects, side effect management, and tools to overcome the social and emotional challenges of the diagnosis. We hope to answer many of your questions about lung cancer to help you manage the disease more successfully.

Featured speakers include:

- Burak Gurses, MD, FCCP: Pulmonologist. Dr. Gurses is a Pulmonologist and the leader of the Columbia St. Mary's Thoracic Center
- Michael Keefe, MD: Dr. Keefe is a Medical Oncologist and Hematologist at the Columbia St. Mary's Cancer Center
- Susan Mingesz, LCSW: Ms. Mingesz is a social worker and the clinical program director for Gilda's Club SEWI

Date: Wednesday, February 29, 2012

Time: 6-8pm

Location: Harry & Rose Sampson Jewish Community Center, Room 3J10 — The Gilda's Club Living Room
6255 N Santa Monica Blvd., Whitefish Bay, WI
